Special Condition #14: You are prohibited from returning to the United States without advance legal permission from the United States Attorney General or his designee. Should you reenter the United States, you are required to report to the probation office within 72 hours of reentry.

Supporting Evidence: The defendant illegally reentered the United States without permission on or about June 16, 2012.

According to the United States Immigration and Customs Enforcement (ICE), the defendant was deported to Mexico on or about September 26, 2011, at New Orleans, Louisiana, and has not obtained legal permission to reenter the United States.

On or about June 16, 2012, a boarder patrol agent encountered the defendant near Andrade, California. Through questioning, the agent learned the defendant was a citizen of Mexico, and was not in possession of valid documents allowing him to enter or remain in the United States.

Through questioning the defendant and through record checks, agents determined that on about September 26, 2011, the defendant had been removed from the United States through the port of New Orleans, Louisiana, subsequent to a conviction in the United States District Court, Eastern District of Washington, on or about May 18, 2009, for the crime of alien in United States after deportation, a felony.

Agents determined that on or about June 16, 2012, the defendant reentered the United States without the Secretary of the Department of Homeland Security having consented to reapplication by the defendant for admission into the United States.

The U.S. Probation Office respectfully recommends the Court issue a warrant for the arrest of the defendant to answer the allegations contained in this petition.

I declare under penalty of perjury that the foregoing is true and correct.
